

Chad

Summary of country engagement at SWA

Priority country : Systems & Finance

Chad joined SWA in 2010. The country intends to prioritise partner roundtables to increase sector funding, develop a strategy to increase sector sustainability and mutual accountability, increase populations' resilience to the effects of climate change, ensure adoption of government policies such as the sector roadmap and the national Sanitation Policy, and, finally, update the sector vision to increase coherence with the national vision, the "Vision 2030, Le Tchad que nous voulons".

Commitments by the government

No commitments

Commitments by partners

Commitment	Body / Organizations	Target Year	Progress Description	Constituency	Progress
------------	----------------------	-------------	----------------------	--------------	----------

<p>UNICEF supports sector coordination, the implementation of a national roadmap to eliminate open defecation and the analysis of barriers to the establishment of sanitation systems.
