

Somalia

Summary of country engagement at SWA

Somalia became an SWA partner in 2019. The government is represented by the Ministry of Health in the partnership. The country has developed a national WASH Policy and a Strategy Plan to be open defecation free by 2030. Both the policy and plan have been translated into local languages for adoption at the local level.

Commitments by the government

Commitment	Body / Organizations	Target Year	Progress Description	Constituency	Progress
Develop the Somali WASH National Policy	Ministry of Health	2019		Government	100%
